September 2015

**Smart Cities Mission**

Coimbatore city has been selected for support under the Smart City Mission, launched by Ministry of Urban Development (MOUD), Government of India (MOUD) this year. Under this Mission, the Government of India plans to support 100 cities with an outlay of Rs. 50,000 crore (or Rs. 500 crore) with a matching grant from respective State Governments. The support under this Mission program is envisaged through a Smart Cities Challenge comprising two rounds. Stage I challenge at the State level has completed, following which 12 cities from Tamil Nadu have been selected to participate in the next stage (Stage-II City Challenge) in which each of the selected cities will prepare submit a Smart City Proposal (SCP) to compete with each other at the national level. 20 cities that fare best in this competition would be selected for funding during 2015-16.
